

THE LODGE

AT BRECKENRIDGE

RECOMMENDED WEDDING PROFESSIONALS

In planning your wedding you have many choices right here in Breckenridge. Our goal is to provide you with local options, which have the utmost trust and respect from our staff.

The following is a list of vendors we have worked with and recommend.

BAKERIES

When considering your choices for a wedding cake we recommend one thing for sure, "Use a Summit County baker." A local baker is able to deliver and finish your cake just before the Reception on the day of your wedding, as well as fully-understand the challenges of baking at high altitudes.
